# PODCAST SUITE

a new concept in content creation

# THE CONCEPT

Situated on Bridge Street in the heart of Manchester city centre, is an oasis of calm in a world of chaos.

Designed with an aesthetic to promote easy conversation, coupled with the technology to create crystal clear recordings, the Alaise podcast suite provides the perfect environment for all your podcast needs.

All sessions come with a professional studio engineer included meaning you can concentrate on your content, and we will do the rest.

# THE ROOM

With multiple pieces of individual furniture, the flexible studio room can be setup to meet any requirements you may have, whether that be a casual side by side conversational type setup, or a more formal table based arrangement.

Our microphones and cameras can be easily manoeuvred to cover all eventualities.

# THE PRICES

All prices include full audio and video editing plus the use of a professional studio engineer.
